

MAULANA AZAD NATIONAL INSTITUTE OF TECHNOLOGY, BHOPAL
DEPARTMENT OF CHEMISTRY

Assignment 4: CHY 110 (Environmental Science)

Dr. Soumya Mukherjee

B. Tech (First Year, Section G): Autumn Semester (2024-2025)

Deadline: ten days

1. Make groups of four students and write short note on the assigned case study/construction project based on various offline and online sources.
2. The write-up must contain **earlier as well as latest information/development** on that specific case.
3. Write roll numbers of all the students of a particular group.
4. Marks will be equally given to all the four students.
5. The formation of group must be roll number wise, not random. As for example: *Roll 1-4*, not like *Roll 1,4,5,9*.

Roll 1 to 20 : Sardar Sarovar Project, India

Roll 21 to 40 : Sariska Tiger Reserve, India

Roll 41 to 60 : Rewa Ultra Mega Solar Park, India

Roll 61 to 80 : Muppandal Windfarm, India

Roll 81 to 111 : Sihwa Lake Tidal Power Station, South Korea
